Summer Fly-Aways

Fly away with Sharp Airlines!

From Friday, 28 September 2007 until 31 January 2008, Sharp Airlines is offering one-way, Summer Fly-Away tickets for just \$65.

Mr Malcolm Sharp, Managing Director of Sharp Airlines, said "Summer is one of our busiest periods. This new, low price of \$65 lets people wanting to plan their Summer holidays to get in early".

Sharp Airlines flies between Melbourne (Essendon), Geelong (Avalon), Hamilton and Portland, seven days a week.

"Since we introduced our new 19 seat Fairchild Metroliners in April this year, we have been able to offer many more flights and many more times", said Mr Sharp.

"We now fly 54 times a week between our four airports. This gives our passengers convenience, flexibility and reliability".

It takes just 45 minutes from Melbourne to Hamilton, and just a bit over an hour on to Portland.

"In the Summer, in the same length of time it would take you to drive from Frankston to the Melbourne CBD, you can be on the beach in Portland. That's pretty good for \$65", said Mr Sharp.

The Sharp Airlines summer offer is valid until 31 January 2008.
