

Adelaide Based Metro Pilots Position Statement

Position Objective

Sharp Airlines is committed to providing competitive air services throughout South East Australia. For 21 years Sharp Airlines has built a culture based on service and innovation: we listen to customers, encourage initiative; look for opportunities; invest in training and development; and cultivate new ideas.

We are looking for a person who not only has the qualifications, personal attributes and skills required, but who also has a proven ability within the industry. We want someone who can professionally represent Sharp Airlines to our clients and customers.

Position Description and Remuneration

The successful applicants will be contracted to work on a combination of RPT, fixed contract and charter flights based in Adelaide, South Australia.

Sharp Airlines' base rate starts at \$75,000 per annum and is subject to experience, previous training and checking qualifications; and length of commitment. Sharp Airlines is willing to negotiate with potential applicants and is capable of providing a package to suit individual needs. We endeavor to develop a family friendly workplace where possible.

Minimum Requirements

- ATPL;
- Current Multi Engine Command Instrument Rating;
- 2000 hours aeronautical experience (candidates approaching these hours may be considered);
- 500 hours multi engine command;
- 250 hours on turbine aircraft;
- Hold an Australian Security Identification Card (ASIC);
- Dangerous Goods Awareness Course; and
- Recent CRM Training.

Key Responsibilities

- Able to work accurately and neatly;
- Excellent presentation and a pleasant manner;
- Sound organisational skills;
- Provide excellent customer service;
- Can work under pressure and meet critical deadlines;
- Ability to work on any day of the week if required (subject to negotiation);
- Ability to present a professional image for the organisation; and
- Can deal competently with customers and problems they encounter.
